CUSTOMS AT CRSP

A full CRSP subscription is not always the answer to your research needs. The Custom Data Group at CRSP executes custom research projects or provides small data sets when only a small slice of a dataset is needed. From stock performance in the Depression to valuing employee satisfaction to the ups and downs of car companies, CRSP's® Custom Research Group provides assistance and delivers results to clients such as the *Wall Street Journal*, *Smart Money*, *Fortune*, Barclay's Capital, and more.

Investment managers, analysts, journalists, academic researchers, consultants, and legal professionals can leverage our expertise and save valuable time.

Examples of such Custom projects include:

- Returns and Distributions
- Merger and Acquisition Data
- Competitor Analysis
- Total Return Indices
- Mutual Funds Performance Analysis
- Historic Treasury Yields and Returns

OUR SOURCES FOR CUSTOM DATA SETS INCLUDE:

- CRSP US Stock Databases
- CRSP US Indices Database
- CRSP Survivor-Bias-Free US Mutual Fund Database
- CRSP US Treasury Databases

For additional information on Custom Data Sets please contact the Customs Group at 312-263-6400, visit our website at www.crsp.chicagobooth.edu or email custom@crsp.ChicagoBooth.edu.
